# New Cross Inn Hostel

The Dover Castle New Cross Inn is an affordable hostel situated in South East London, zone 2. The hostel is 2 minutes walk from New Cross Gate and New Cross underground and overland train stations. A train to or from London Bridge Train Station takes only 6 minutes and you can comfortably use your travelcard without need to pay any extra fee. We are very convenient if your'e coming to London to attend a concert or event at the O2 Millenium Dome. The Hostel is only a 15min bus ride to the O2 Arena.

The Hostel has a variety of twin rooms and small dormitories, some of which have en-suite bathrooms. All rooms have been refurbished and have basins and most have fridges for the guests. The hostel has a guest common room with digital TV, movies, board games and a mini library. We have 2 guest kitchens and and every floor has several bathrooms boasting both showers and baths. Throughout the hostel is free WiFi internet access and we have an internet terminal by reception. We also offer a laundry facility and lockers for guests, and free ear plugs are available for light sleepers. Reception is open 24 hrs and our friendly staff will be happy to help you with directions and advice. All this and still our prices are super low and include a complimentary continental breakfast, as well as free pancakes on Sundays!

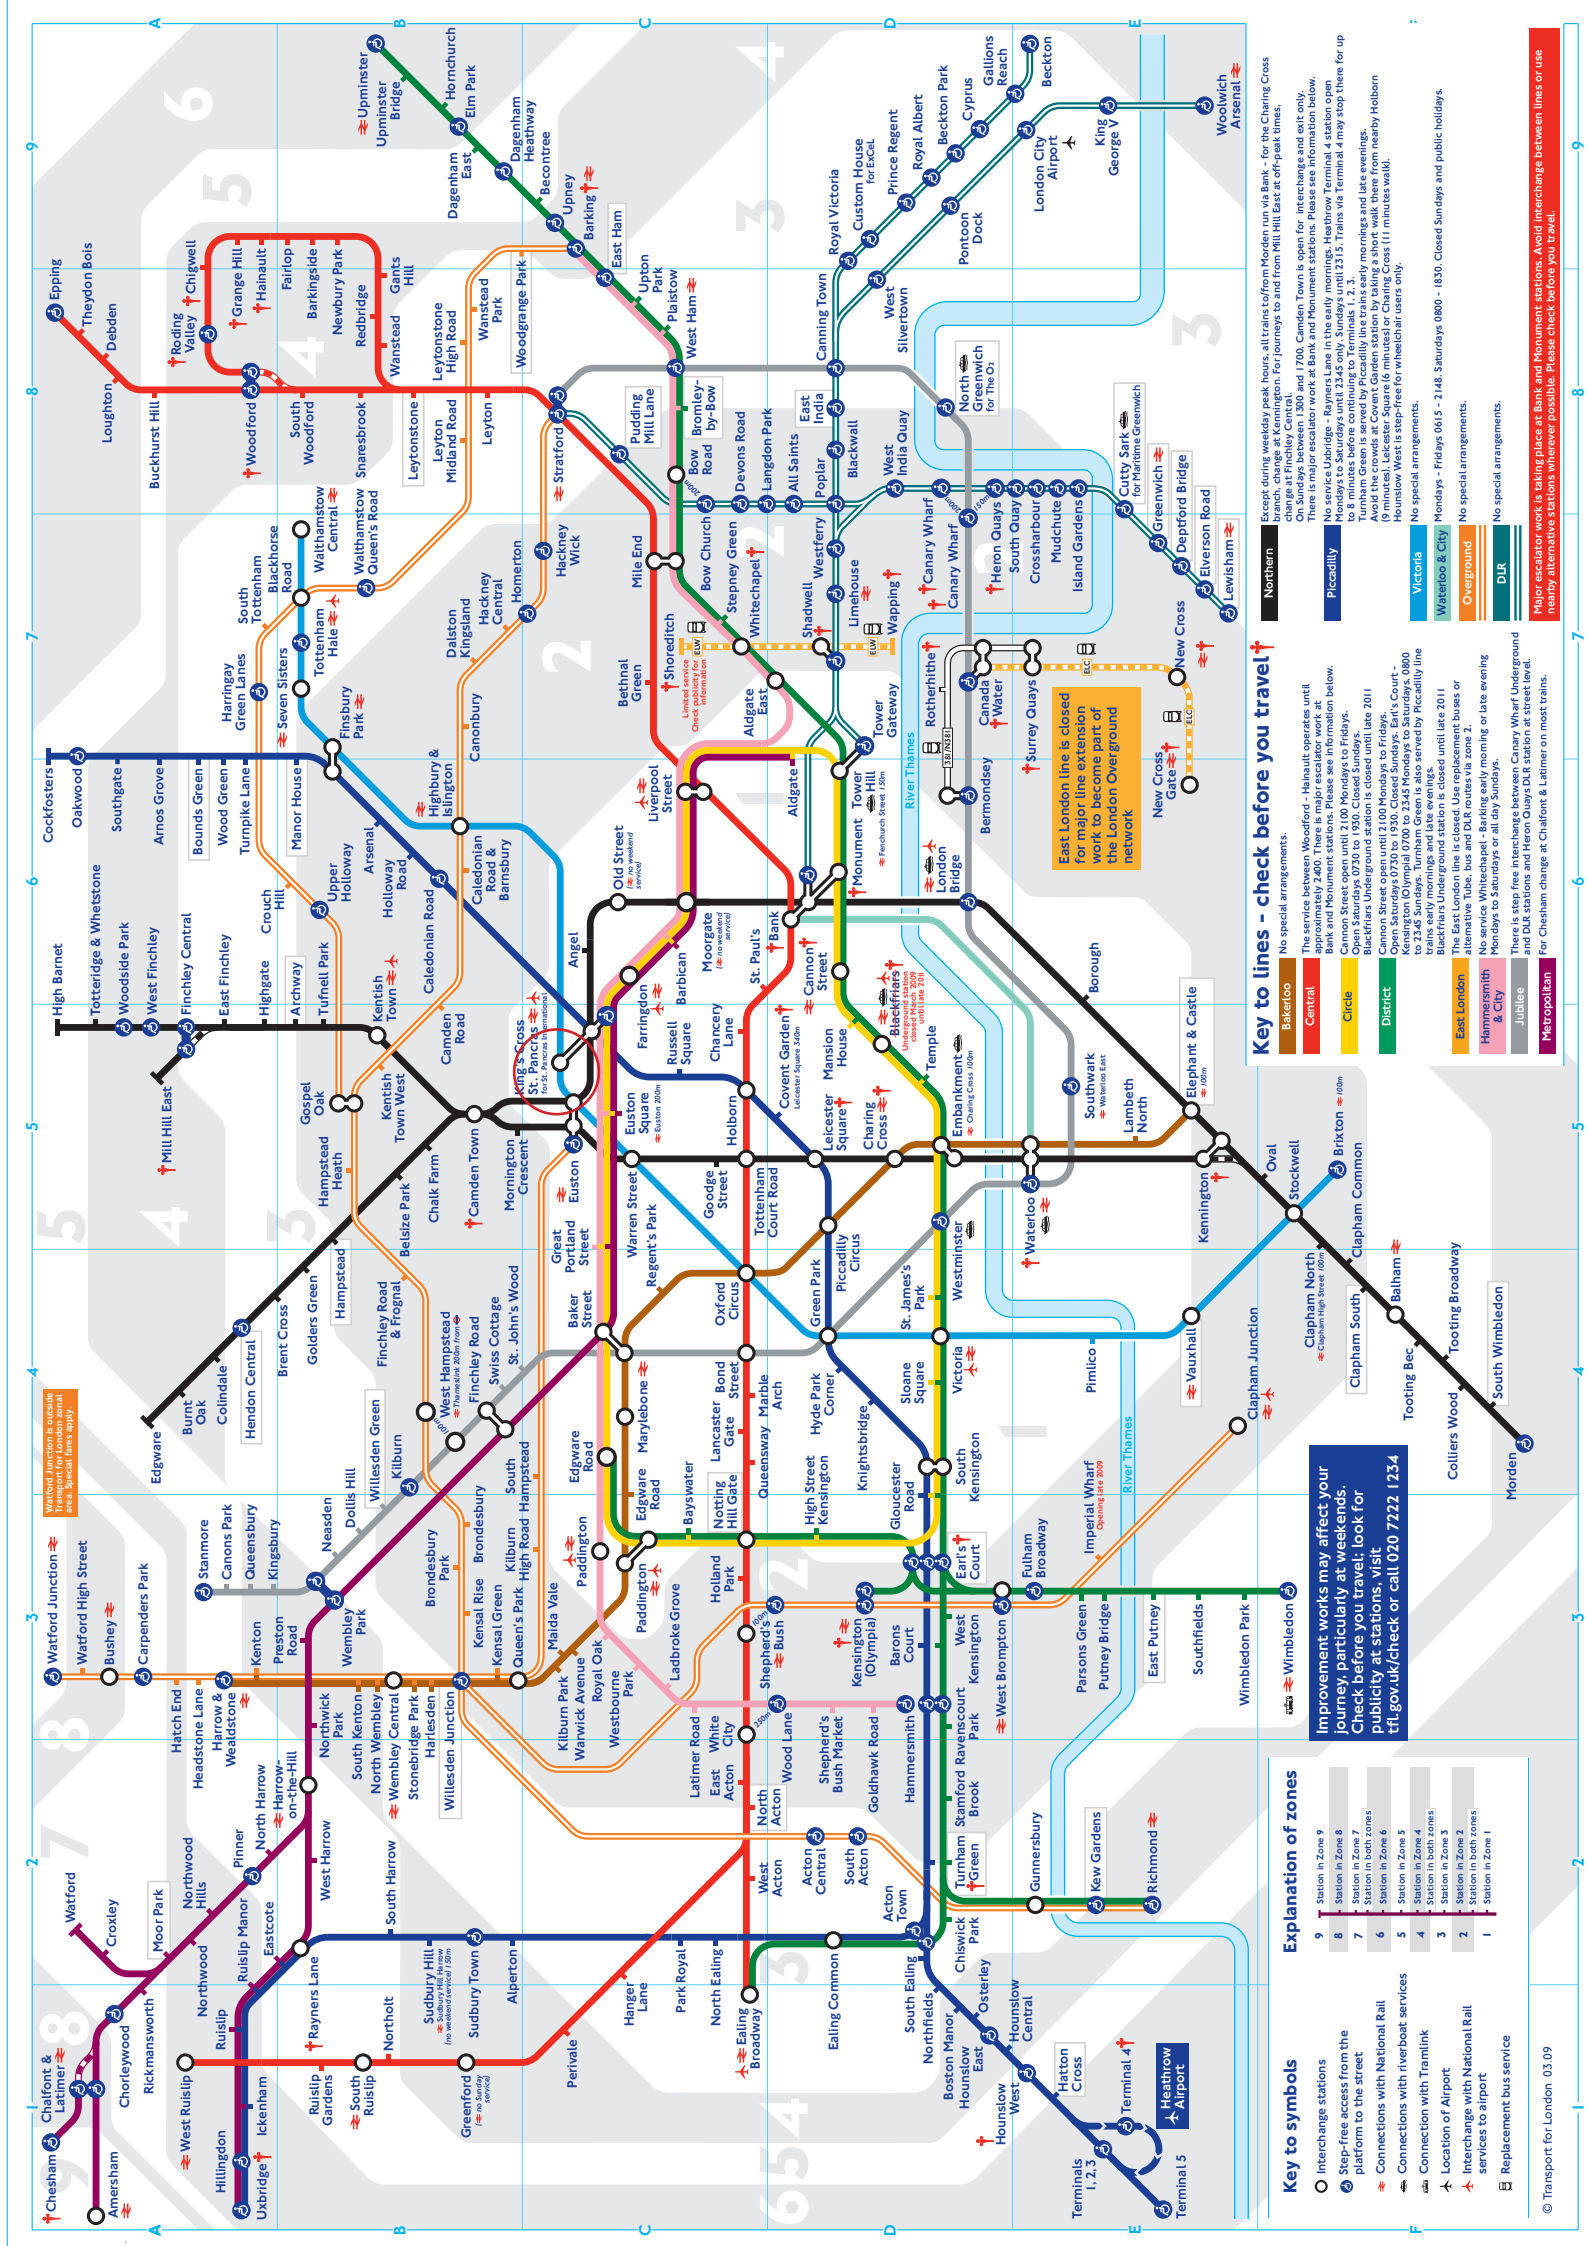

The Bar next to the hostel also offers discounts for our guests and often has bands / DJs. The bar has a pool table and shows all the major sports events live.

Whether you come to London to see the sights, study or work, we look forward to welcoming you to the New Cross Inn Hostel.

31-33 Heddon Street  
Mayfair, London, W1B 4BN

## 100% design

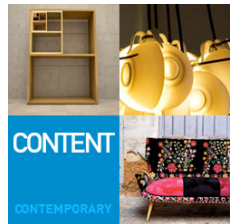

100% Design London is the UK's leading architecture and design event showcasing everything for the modern building and interior.

100% Design London features world-class interiors show 100% Design, innovative and sustainable architectural products event 100% Detail, cutting-edge materials exhibition 100% Materials and emerging talent showcase 100% Futures.

**Earls Court Exhibition Centre is situated on the District (green) Line at Earls Court station and is located in Zone 2.**

## Tent London

Taking place in the capital's most exciting venue, the Truman Brewery, a vast reclaimed industrial site in Brick Lane, Tent London is the most comprehensive and diverse design exhibition of the year during the London Design Festival.

Tent London consists of a collection of shows, competitions and installations covering art and architecture, vintage and contemporary design

TENT LONDON | 380 OLD STREET, LONDON EC1V 9LT, UK

## The Deptford Project

The Deptford Project acts as a headquarters and catalyst to celebrate the creative minds of SE8 through an onsite events programme of art, music, performance & design. Throughout the London Design Festival The Deptford Project is hosting a range of exhibitions, installations and events including; plans for the carriage (cafe / bistro) re-design by local design stars Based Upon. Film screenings, and art and design installations in collaboration with Deptford X and Goldsmiths University. On Saturday the 19th & 26th The Deptford Project Market will showcase bespoke furniture, beautiful vintage, and unique pieces by local designer makers.

121 - 123 Deptford High Street SE8 4NS

## Making Fun Serious

"Making Fun Serious" is the title that was given to the students of Design Products at the Royal College of Art. Through research into musical and performing experience in everyday life, this project aimed at delivering the joy of serious and internal fun germinated within players' minds through a designed object, and shared with an audience. The project was opened to all students and from 21 research proposals, 9 projects were developed for the exhibition.

152-160 Wardour St London W1F 8YA

## Goldsmith design uni

'MAKEBELIEVE' is an exciting and innovative showcase of emerging design talent from Goldsmiths, University of London. The show will include projects from several of the Goldsmiths Department of Design Master's programmes including MA Critical Practice, MA Design Futures, MRes in Design and the MA Creative and Cultural Entrepreneurship, alongside work from third year BA/BSc Computing & Interaction Design students.

12 Dryden Street Covent Garden

## Design Museum

Super Contemporary is the spirit of London design, past, present and future. The exhibition celebrates and examines the creative magnetism of London and its enduring reputation as the heart of contemporary design. The Design Museum has joined forces with Beefeater 24 to showcase 15 new commissions from London's most dynamic creative's, and as a group they demonstrate the diverse approaches to design in London.

28 Shad Thames

## Emerge

Set up to support emerging graduates, emerge introduces cutting-edge design to this year's London Design Festival. Featuring Fraser Muggeridge as our guest selector the exhibition will provide inspiration for future designers and encourage development within the creative industries.

RichMix

Cafe Gallery

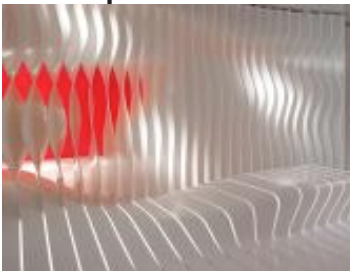

35 - 47 Bethnal Green Road

## Design Less Ordinary

'Design Less Ordinary' is a collection of 30 new works from 11 London based product and furniture designers, including the internationally renowned Ryan Frank ([www.ryanfrank.net](http://www.ryanfrank.net)). The exhibition showcases each designer's personal response and reconsideration of the familiar, through new objects. Their varied styles, concerns and disciplines have resulted in an exhibition that features a wide array of project outcomes, ranging from the conceptual through to the industrial. - 196 Brick Lane

## Corian Super Surfaces

"CORIAN® super-surfaces": via the form of a conceptual "lounge" environment designed with advanced digital technologies, created with innovative fabrication techniques and combined with dynamic visual effects, Amanda Leveté\_Architects (AL\_A) reveals the "super-surfaces" nature of DuPont™ Corian®.

28 Redchurch Street

## Kiosk NYC

This year SCP will be working in collaboration with the New York design store Kiosk. Presented in an exhibition format, Kiosk curate rare but humble items found on bi-annual trips to locations across the globe and then display and sell their findings in their Soho space. For the first time outside of the USA, Kiosk will be exhibiting goods from their core collection in a temporary shop, designed and installed at SCP East by Michael Marriott.
